

WISEPlace™

A Community of Hope & Housing

OUR VISION

We envision an Orange County where every woman in need is safely housed, empowered, and on a path to personal stability.

OUR MISSION

To lead the effort of ending homelessness for unaccompanied women through housing solutions and empowering wrap-around services that provide a path toward personal self-reliance.

THE WISEPLACE WAY

A solutions-based program to get women back on their feet with support.

For nearly 100 years, WISEPlace has helped more than 8,780 women by providing safe shelter, rental assistance, and housing solutions. We serve unaccompanied women experiencing homelessness who often lack the support system of a spouse, significant other, or children; this is where they can get the help and support to rebuild their lives. The heart of what we do is provide a community of hope and housing where participants are supported with vital wrap-around services on their journey from homelessness to personal self-reliance.

“

I was so depressed. The situation with my family became unbearable. I was scared to be homeless, but glad to finally be away from the abuse. I saved myself by leaving and hoped I could find a better life. WISEPlace felt like a real home. After all I had been through, I was so grateful that my dog Ears and I had a safe place to stay with people who truly cared about us.
